WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from system before putting more food into stomach.

Says inside-bathing makes any one look and feel clean, sweet and refreshed.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness, while the bowel pores do.

For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates poisonous gases and toxins which are absorbed or sucked into the blood stream through the lymph ducts which should suck only nourishment to sustain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

A quarter pound of limestone phosphate costs but very little at the drug store but is sufficient to make anyone an enthusiast on inside-bathing. Men and women who are accustomed to wake up with a dull, aching head or have furred tongue, bad taste, nasty breath, sallow complexion, others who have bilious attacks, acid stomach or constipation are assured of pronounced improvements in both health and appearance shortly.—Adv.

AN UNDIGESTED DINNER

Worse than a badly cooked dinner is a dinner that you can't digest. Do you know what it is to turn away from the best food, ill-humored and without appetite, though you know that it is dinner time and that you need food to sustain you? This is nature's way of telling you that your digestion is out of order. Your stomach is not in a fit state to absorb food if you eat it, or your blood able to carry the necessary nourishment to your nerves, brain and muscles. First of all, put off eating until you are hungry. If you eat when you are not hungry you can't digest the food. To put your blood in the right state to derive good from your food, take Dr. Williams' Pink Pills. Without any purgative or weakening effect they purify your blood and enrich it, so that you not only have an excellent appetite for food, but are able to digest it comfortably and get benefit from it.

So many dyspepsias have been helped by this simple treatment that every sufferer from stomach trouble should try it. A diet book, "What to Eat and How to Eat" will be sent free on request by the Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills or a box will be sent by mail, postpaid, on receipt of fifty cents.

Recently there has been erected in the reception room at the State House, near a large painting representing the battle of Cedar Creek, a bronze medallion tablet in memory of Gen. Stephen Thomas, at whose birthplace in this town there was erected two years ago by the Eighth Regiment association, a marble monument. The quotation from the late Joseph A. DeBoer on the bronze tablet is from an address which he delivered in Bethel on the 50th anniversary of the battle of Cedar Creek, the day on which the monument was set up. The tablet at the State House bears these words: "To the memory of Stephen Thomas, born in Bethel, Vermont, December 9, 1809, died in Montpelier, Vermont, December 18, 1893, colonel of the 8th Vermont regiment, brigadier general, brevet major general, 1861-1865. Member Vermont general assembly six terms, lieutenant governor of Vermont, 1867-1869. 'No one ever better deserved the record of an honest man, a brave soldier, a true leader in peace, a careful and brave commander in war, and a God-fearing gentleman always.' Joseph A. DeBoer, 1914. Erected by the state of Vermont, 1916."

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-goed feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.
